- 6.2.1 Upon authorization being duly completed and executed by the unit member, the District shall provide exclusive dues deductions, without cost to the Association, for the normal and regular monthly Association membership dues. The District shall provide other deductions within the payroll deduction capacity as set forth on the standard San Bernardino County form. The District shall put into effect any new, changed, or discontinued deductions as soon as practicable.

9.1.1 Except for the provisions of Education Code 44932 et seq, no unit member shall be disciplined absent just cause and according to the principles of progressive discipline.

9.2 Progressive Discipline

9.2.1 Progressive discipline shall include the following steps:

I. Counseling and Verbal Warning

Upon the non-application of a rule, regulation, or statute, the unit member shall be apprised of the rule, regulation or statute that the unit member is alleged to have violated.

The unit member shall be counseled as to the necessity of following such rule, regulation or statute. The unit member shall be informed as to the consequences of continued non-compliance or a repeat offense. A conference summary of the meeting shall be provided to the unit member but shall not be placed in the unit member's personnel file.

II. Written Warning

A written warning shall be issued upon the second infraction warranting disciplinary action.

A written warning shall not be issued unless the unit member has first been verbally warned about similar actions within the previous twelve (12) months.

A written warning may be placed in the unit member's personnel file. The unit member may respond in writing to the written warning within ten (10) duty days of receipt of the written warning. Such written responses shall be placed in the unit member's personnel file.

III. Written Reprimand

A written reprimand shall be issued upon the third infraction warranting disciplinary action.

A written reprimand shall not be issued unless the unit member has first received a written warning about similar actions within the previous twelve (12) months.

A written reprimand may be placed in the unit member's personnel file. The unit member may respond in writing to the written reprimand within ten (10) duty days of receipt of the written reprimand. Such written responses shall be placed in the unit member's personnel file. The bargaining unit member shall sign the written reprimand acknowledging receipt and receive a copy.

IV. Serious Misconduct

In cases of serious misconduct, the forgoing remedial steps need not be taken, and the District may advance to the level of discipline such that is appropriate to the level of misconduct. Serious misconduct that may warrant such action shall include actions that violate the California Education Code or willful, egregious, or deliberate violations of District Policies.

9.3 Non-Notification of Rules, Regulations and Statutes

9.3.1 A unit member shall not be disciplined for any violation of rules, regulations or statutes of which the employee has not been apprised.

9.4 Association Notification of Disciplinary Action Meeting

9.4.1 The District shall notify the Association of any meeting to be held with a bargaining unit member regarding a contemplated disciplinary action, including levels I-IV of the progressive discipline steps outlined above. Notice shall be made to the Association prior to the meeting and include the name of the bargaining unit member as well as the date, time and location of the meeting.

9.5 Right to Representation

9.5.1 The unit member shall have the right to Association representation at all meetings regarding employee discipline or proposed disciplinary action, including levels I-IV of the progressive discipline steps outlined above.

9.6 Confidentiality

9.6.1 All information or proceedings regarding any actions or proposed actions pursuant to the Article shall be kept confidential by the parties to the extent permitted by law.

9.7 Employee Suspension

9.7.1 Immediate suspension may be made for reasons specified in Education Code section 44939.

9.7.2 Suspensions made without pay shall not reduce or deprive the unit member of health and welfare benefits.

9.8 Rights of Unit Members

9.8.1 A unit member summoned to any meeting with a site or District administrator shall be apprised of the general nature of the meeting.

9.8.2 This Article shall not reduce the rights of permanent bargaining unit members contained in Education Code sections 44932 and 44944.

9.9 Personnel Files

9.9.1 There shall be a single personnel file for each unit member. Personnel files shall be kept in the central administrative office of the District.

9.9.2 Materials in the personnel file of a unit member are to be made available for the inspection of the person involved.

9.9.2.1 Such material is not to include ratings, reports, or records which:

1. were obtained prior to the employment of the person involved,
2. were prepared by identifiable examination committee members,
3. were obtained in connection with a promotional examination.

9.9.2.2 Every unit member shall have the right to inspect such materials upon request, provided that the request is made at a time when the unit member is not actually required to render services to the District.

9.9.3 Information of a derogatory nature, except material mentioned in Section 9.9.2.1, shall not be entered or filed unless and until the unit member is given a copy of the materials and an opportunity to review and comment thereon. Any unit member shall have the right to enter, and have attached to any such derogatory statement, his/her own comments thereon. Such review shall take place during normal business hours, and the employee shall be released from duty for this purpose without salary reduction.

9.9.4 The unit member shall have ten (10) working days in which to respond in writing prior to the filing of any derogatory information.

9.9.5 Any document containing any information of a derogatory nature which is to be included in a unit member's personnel file kept in the Personnel Office, shall state that this information is to be placed in that file.

- 9.9.6 All material placed in a unit member's personnel file shall be dated and signed by the person who caused the material to be prepared and the unit member. The unit member's signature does not necessarily imply agreement.
- 9.9.7 Copies of any information of a derogatory nature kept at the school site shall be given to the unit member.
- 9.9.8 Access to a unit member's personnel file shall be limited to management employees. Access authorization must be obtained from either the Superintendent or Personnel Officer. Except when disclosure is required by law, the contents of all personnel files shall be kept in strictest confidence. The District shall keep a log indicating the persons who have requested to examine a personnel file, as well as the dates such requests were made. Such log shall be available for examination by the unit member or their authorized Association representative.
- 9.10 Public Charges
- 9.10.1 A complaint or charge filed in writing by a parent, student or citizen against a unit member whom the administrator believes is significant shall be processed with Association representation at all levels, upon request by unit member.
- 9.10.1.1 A preliminary investigation of any charge may be made by an administrator with the full knowledge of the unit member. If this investigation reveals a serious or unresolved charge, the unit member shall be informed immediately and the person making the original complaint shall state the charge in writing and sign it. If the complainant refuses to do this, the charge shall be dropped.
- 9.10.1.2 Those involved shall receive written notification of the charge within five (5) working days after the charge has been reduced to writing and submitted to the District. A unit member shall have the right to Association representation at any conference or investigatory meeting.
- 9.10.1.3 If the charge cannot be resolved at the local school level, the Superintendent or his/her designee shall make a thorough investigation of the alleged charge and attempt to effect a resolution. The term "resolution" as used in this section shall mean the resolution to the point that neither the charging party nor the unit member wishes to pursue this issue to another level.
- 9.10.1.4 In the event resolution cannot be affected by the Superintendent or his/her designee, the Superintendent or the employee may present findings to the Board of Trustees for appropriate action. The employee(s) shall have the right to be present during the presentation of any information or evidence having bearing on the charge.

- 9.10.1.5 If the charges are presented to the Board of Trustees, they shall be received in executive session unless otherwise requested by the unit member being charged.
- 9.10.1.6 Complaints, which are withdrawn or shown to be false, shall not be placed in the unit member's personnel file or shall be removed from the unit member's personnel file. Further, they shall not be utilized in any evaluation or disciplinary action against the unit member.

ARTICLE 10: CONSULTATION AND SHARED DECISION-MAKING

10.1 The Association shall be provided consultation rights regarding the definition of educational objectives, the determination of the content of courses in curriculum, the selection of textbooks, and all working conditions which affect unit members, to the extent that such matters are within the discretion of the District; provided, however, that the inclusion of this provision in the Agreement does not limit in any way the same right of consultation on the part of any individual employee.

10.2 District and Association Collaboration

10.2.1 A District Level Standing Committee shall meet monthly and as necessary for collaboration and consultation purposes as defined in Article 10.1.

10.2.2 This Committee shall consist of twelve individuals; six representatives shall be appointed by the District and six representatives shall be appointed by the Association.

10.2.2.1 At least one representative shall be appointed from each of the three grade level groupings: TK-6, 7-8 and 9-12.

10.2.3 This Committee shall have the authority to create and convene temporary subcommittees as necessary. Such subcommittees shall operate under/within the scope of the Standing Committee.

10.3 School Site Collaborations

10.3.1 The Upland Teachers Association and the Upland Unified School District believe that the students of our community are best served at school sites where there is open dialog and collaboration between unit members and administration. The goal of collaboration is to provide staff and administration opportunities to share in the ownership and responsibility for some of the site decisions.

10.3.2 Site collaboration and shared decision-making are processes for obtaining input, identifying issues and interests, identifying options, developing, implementing and evaluating programs. Collaboration and shared decision-making are methods to

facilitate some decisions that are fundamental to the successful operation of the school site and the improvement of student performance.

- 10.3.3 The process for selecting committee(s) membership and operating procedures shall be established collaboratively and reviewed annually at each site. In all cases, certificated staff members shall select certificated staff members. It is recognized that specific committees may be established for a site-specific need. Site committee(s) shall include 1) representatives from administration and 2) certificated staff members from grade levels or departments/divisions as appropriate. The certificated staff members shall, at all times, constitute a majority of the total committee except where the committee composition is mandated by State or Federal regulations.
- 10.3.4 Collaboration and shared decision-making are not processes to replace the site administrator's ultimate responsibility for site management.
- 10.3.5 The inclusion of this provision in the Agreement does not limit in any way the same right of consultation or collaboration on the part of any individual employee.
- 10.3.6 A consensus model shall be used for: site budget development, site student intervention programs, site staff development activities, site discipline plans, the development of curriculum to meet student needs, the content of courses in the curriculum and all non-mandated programs prior to School Board approval.
- 10.3.7 A consultation model shall be used for grade level/class assignments, duties, adjunct assignments, room assignments, and the evaluation process.

ARTICLE 11: NEGOTIATIONS PROCEDURE

- 11.1 Except as set forth in Article 1, the Association agrees to present to the District its proposal for a successor agreement by no later than 120 calendar days prior to the expiration of this agreement; and the District agrees to begin negotiations on a successor agreement no later than sixty (60) calendar days after the official receipt of the Association's proposal.
- 11.2 The parties shall meet and negotiate in good faith on negotiable items on a successor Agreement beginning no later than five (5) working days after the regular scheduled School Board Meeting in which the Board's initial proposal is presented. Any Agreement reached between the parties shall be reduced to writing and signed by them.
- 11.3 Hold Harmless Clause
 - 11.3.1 No reprisal of any kind shall be taken by any person(s) or group(s) whatsoever against any member of the Association for their participation in the development of this Contract.

ARTICLE 12: PRESCHOOL

12.1 Class Size

12.1.1 The District shall maintain a student to teacher ratio of 15 to 1 for preschool; the ratio shall include seven (7) special education students and eight (8) general education students per class.

12.1.2 The District shall maintain a student to teacher class size and caseload range of seven (7) to eleven (11) students for teachers of moderate/severe special education students *who are in a Special Day Class* in preschool.

- 16.5.1.8 If the voluntary transfer occurs during the summer recess, the provision for two (2) paid days of preparation does not apply.
- 16.5.1.9 The principal at the school shall not be notified by Personnel Services of the application until after an offer of transfer has been made, and the matter shall be treated as confidentially as practicable.
- 16.5.1.10 Unit members returning from leave shall be afforded all rights provided under this section. (See exception: Involuntary Transfer, 16.6)
- 16.5.1.11 When a bargaining unit member with a "proficient" or "exemplary" evaluation has requested a voluntary transfer pursuant to 16.5, the Superintendent of Schools or Superintendent's designee shall consider the various factors related to the unit member's placement, which may include, but not be limited to the following:
1. the grade level(s) and/or subjects the unit member has taught,
 2. the grade level(s) and/or subjects or school(s) requested,
 3. available vacancies,
 4. anticipated vacancies,
 5. the specific staffing factors for a school with a vacancy such as teaming, subject skill area needs, ethnic balance, male/female ratio, and/or specific programs in a school.

- 16.5.1.12 After reviewing the above listed criteria and factors, the Superintendent or Superintendent's designee, shall meet with the unit member and discuss specific matters regarding time lines, grade/subject preferences, etc.
- 16.5.1.13 In the event the unit member declines a transfer to a school or grade/subject which he/she had listed on the transfer request in 16.5.1.1, the unit member shall not be given further consideration at that time.

16.6 Involuntary Transfer

- 16.6.1 Unit members working in the Upland Unified School District are employed as District certificated employees and are not employed solely as an employee of a specific school.
- 16.6.2 Involuntary transfers shall only occur for instructional program needs, opening, and closing of schools, and enrollment adjustments, and then only in those instances where voluntary transfers are not available to meet the expressed needs.
- 16.6.3 When a site must reduce a position, the following procedures shall be used for involuntary transfers utilizing a volunteer:
 - 16.6.3.1 Before any involuntary transfer takes place, the District shall first seek volunteers from among those members at the site.
 - 16.6.3.2 Volunteers shall have the option of selecting any open position in the District for which they are qualified.
 - 16.6.3.3 If there is more than one volunteer from a site, the employee with the most District seniority shall be given the option to select a position from all open positions at the time. District seniority would also be used in the event there are reductions in staff at multiple sites.
 - 16.6.3.4 If there are no open positions, which the volunteer is interested in accepting, he/she may rescind the voluntary transfer option.
 - 16.6.3.5 Volunteers shall not have a preferential right to return to the site should a vacancy occur in the future.
- 16.6.4 When a site must reduce a position, the following procedures shall be used for involuntary transfers when there are no volunteers:
 - 16.6.4.1 The qualified member with the least District seniority at that site shall be selected for transfer.
 - 16.6.4.2 The Human Resources Office shall be responsible for notifying the affected unit member, both orally and in writing of possible

placements. The unit member shall have the right to select from the possible placements.

16.6.4.2.1 If more than one unit member must be involuntarily transferred, the unit member with the most District seniority shall be given the first right to select from the available openings.

16.6.5 The unit member shall be given three (3) days of release time with a substitute or three (3) days' pay at the unit member's daily rate of pay whenever the unit member is involuntarily transferred. These three (3) days shall be taken during the summer recess period, if possible.

16.6.6 If requested, the District shall provide moving service before the start of the new assignment.

16.6.7 The unit member involuntarily transferred shall receive first right of refusal to return to the school from which they were transferred for a period of up to twelve (12) calendar months. Human Resources shall maintain a list of all involuntary transfers and contact the unit member both orally and in writing, should an opening occur. If the unit member declines the opening, the first right of refusal shall no longer apply, with the exception of Article 16.6.7.1.

16.6.7.1 If an opening occurs within the twelve (12) months at the school from which a bargaining unit member was involuntarily transferred, the transferee may elect to return to that school. In the event that the bargaining unit member elects to remain in the new assignment for the balance of the first school year, the unit member may exercise this right to return at the beginning of the following school year, if a vacancy exists.

16.6.8 If a particular school is to be closed, then unit members at that school shall be accorded first priority for filling any new or vacant positions at the school or schools at which the students at the closing school are being placed for the coming school year.

16.6.9 The unit member from the closed school shall also be accorded first priority for filling all vacancies that arise for which they have an appropriate credential. If two or more unit members apply for the same vacancy, and if all factors are equal, as deemed by the administrator, the unit member with the greatest seniority shall receive the position.

ARTICLE 17: GRIEVANCE PROCEDURE

17.1 Definitions

- 17.1.1 A "grievance" is an allegation by a unit member or the Association regarding a violation, misinterpretation, or misapplication of the specific provisions of this Agreement. Actions to challenge or change the policies, regulations or other matters outside of this Agreement are not within the scope of this procedure, and review must be taken under separate processes.
- 17.1.2 The "aggrieved party" is the person or persons making the claim.
- 17.1.3 The "party in interest" is any person who might be required to take action or against whom action might be taken in order to resolve the claim.
- 17.1.4 A "duty day" is any day in which a unit member is required to render service to the District.
- 17.1.5 The "immediate supervisor" is the lowest level administrator having immediate jurisdiction over the grievant and/or who has been designated by the District to adjust grievances.

17.2 Procedures

- 17.2.1 Before filing a formal, written grievance, the grievant should attempt to resolve the grievance by an informal conference with his/her immediate supervisor. The grievant may choose to have a representative of the Association present at the informal hearing.
- 17.2.2 The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems, which may from time to time arise affecting the welfare or working conditions of unit members. Both parties agree that these proceedings shall be kept as informal and confidential as may be appropriate at any level of the procedure.

17.2.3 Level I

- 17.2.3.1 Within twenty (20) duty days of when the grievant knew or reasonably should have known of the act or omission which gave rise to the grievance, the grievant must present such grievance in writing to the immediate supervisor. The grievance shall consist of a clear, concise statement of the problem, the provision of the Agreement involved, and the specific remedy sought. The immediate supervisor shall meet with the aggrieved party and/or designated Association representative within three (3) duty days of receipt of the grievance. The immediate supervisor shall provide a written disposition of the grievance, including the reasons therefore, to all parties of interest within two (2) duty days of such meeting.

17.2.4 Level II

17.2.4.1 If the grievant is not satisfied with the decision at Level I, or if no decision is given within the time limit, within three (3) duty days after receipt of the Level I response, the grievant may appeal the decision in writing to the Superintendent or Superintendent's designee with a copy simultaneously provided to the Association President.

17.2.4.1.1 The Superintendent or Superintendent's designee shall communicate in writing, with a copy simultaneously provided to the Association President, a decision within three (3) duty days after receipt of the appeal.

17.2.4.2 Within the above time limit (17.2.4.1), either party may request and receive a personal conference with the other party.

17.2.5 Level III

17.2.5.1 If not satisfied with the decision at Level II, or if no decision is given within the time limit, the grievant, within five (5) duty days after the receipt of the Level II response, may request in writing that the Association submit the grievance to Advisory Arbitration. The Association, by written notice to the Superintendent within fifteen (15) duty days of the Level II response, may submit a grievance to an Advisory Arbitrator who shall be selected by mutual agreement. If no agreement can be reached within five (5) duty days of the notice, the parties shall request of the American Arbitration Association a list of five (5) names of persons experienced in hearing grievances. Each party shall alternatively strike a name until only one name remains. Lot shall determine the order of strike.

17.2.5.1.1 In each dispute, the arbitrator shall, as soon as possible, hear evidence and render a decision on the issue(s) so submitted. If the parties cannot agree upon a submission agreement, the arbitrator shall determine the issue(s) by referring to the written grievance and the answers thereto at each step. After the hearing, and after both parties have been given the opportunity to make written arguments, the arbitrator shall submit the findings and recommendations which shall be advisory to the parties. The arbitrator shall have no power to add to, subtract from, or modify the terms of the Agreement or the written policies, rules, regulations.

17.2.5.1.2 The fees and expenses of the arbitrator and each hearing shall be borne equally by the District and the Association. All other expenses, except for released

time for the grievant(s), Association representative(s) and witnesses, shall be borne by the party incurring them.

- 17.2.5.1.3 If any question arises of the arbitrability of the grievance, such questions shall be ruled upon by the same arbitrator only after he/she has had an opportunity to hear the merits of the grievance.

17.3 Time Limits

- 17.3.1 Time limits provided for at each level shall begin the day following receipt of the grievance, grievance appeal or written decision.
- 17.3.2 In the event a grievance is filed at such a time that it cannot be processed through all the steps in this grievance procedure by the end of the school year and, if left unresolved until the beginning of the following school year, could result in harm to a grievant, the time limits set forth herein shall be reduced so that the procedure may be exhausted prior to the end of the school year or as soon as practicable.
- 17.3.3 If the District management fails to respond in writing to the grievance within the specified time limit, the grievant has the right to process the grievance at the next level. If the grievant does not process the appeal within the given time limits, the grievance shall be considered as settled and the grievant cannot raise the issue(s) again. The time limits specified at each level should be considered to be maximums and every effort should be made to expedite the process. The time limits may, however, be extended by mutual agreement.

17.4 Rights of Representation

- 17.4.1 Upon the request of a unit member, representation shall be allowed at all stages of the grievance procedure.

17.5 No Reprisals

- 17.5.1 No reprisals of any kind shall be taken by the Superintendent or by any member or representative of the administration or the District against any aggrieved party, any party in interest, any member of the Association or any other participant in the grievance procedure by reason of such participation.

17.6 Miscellaneous Provisions

- 17.6.1 The President of the organization representing the certificated bargaining unit may initiate a grievance that affects one or more unit members.
- 17.6.2 Nothing contained herein shall be construed as limiting the right of any unit member having a grievance to discuss the matter informally with any appropriate member of management, and to have the grievance adjusted without intervention by the

Association, provided that the adjustment is not inconsistent with the terms of the Agreement, and provided that the Association has been given an opportunity to be present at such adjustment and to state its views.

- 17.6.3 If a grievance arises from action or inaction on the part of a member of the administration at a level other than the immediate supervisor, the aggrieved party shall submit such grievance in writing directly to the Assistant Superintendent of Personnel and the Association with the processing of such grievance to commence at Level II.
- 17.6.4 The Association shall designate two (2) representatives for processing grievances beyond Level I of the grievance procedure. When it is necessary for a representative designated by the Association to investigate a grievance or attend a grievance meeting or hearing during the day, he/she shall, upon notice to his/her principal or immediate supervisor by the President of the Association, be released without loss of pay in order to permit participation in such investigations, meetings, or hearings as a witness. In addition, a grievance may be filed by the local President of the Association regarding violations of Association rights as specified in this Agreement and filed on behalf of named unit members who qualify as grievants and who have the same grievance.
- 17.6.5 The grievance process shall be considered confidential between the parties, unless mutually agreed otherwise; and as such, all documents, communications, and records dealing with the processing of a grievance shall be maintained in a separate grievance file in the District administrative office. This provision shall not prohibit the parties from reporting appropriately to their respective constituents regarding grievance processing.
- 17.6.6 The processing of a grievance beyond Level I shall constitute an express election on the part of the grievant that the grievance/arbitration procedure is the chosen forum for resolving the issue(s) contained in the grievance prior to exercising rights which may exist in any other legal forum.

Such leave shall not be used for child care, child rearing, or preparation for child bearing, but shall be limited to those disabilities as set forth above. The length of such disability leave, including the date on which the leave shall commence and the date on which the duties are to be resumed, shall be determined by the unit member and the unit member's physician; however, the District management may require a verification of the extent of disability through a physical examination of the unit member by a physician appointed by the District at the District's expense.

20.6.2 The unit member on leave for pregnancy disability shall be entitled to return to the same position, unless the position is eliminated, then to a comparable position to that held at the time the leave commenced. - 20.7.6 There shall not be a diminution of employment status while on leave for child bearing or child rearing except that no person shall be entitled to compensation increment, or the accrual of seniority for layoff or reduction in force purposes, nor shall the time taken on parental leave count toward credit for probationary unit members in earning permanent (tenure) status.
- 20.7.7 If a unit member is on leave for child bearing or child rearing and, in the event of a miscarriage or death of a child subsequent to childbirth, the unit member may request an immediate assignment to a unit position. If there is a vacancy for which a unit member is qualified, the District shall assign the unit member to a position as soon as practicable.

20.10.2 Such leave shall not exceed sixty (60) days during which the schools of the District are required to be in session or when the unit member would otherwise have been performing work for the District in any one (1) fiscal year for the same industrial accident or illness.

20.10.3 Allowable leave shall not be accumulated year to year.

20.10.4 Industrial Accident or Illness Leave shall commence on the first day of absence.

20.10.5 When an Industrial Accident or Illness Leave overlaps into the next fiscal year, the unit member shall be entitled to only the amount of unused leave due for the same illness or injury.

20.10.7 For any days of absence from duty as a result of the same industrial accident or illness, the District shall forward to the unit member the Workers Compensation check. The amount of this check shall be deducted from the unit member's salary warrant so that the total amount of the compensation received shall not exceed 100% of the unit member's salary.

20.10.8 A unit member receiving benefits as a result of an industrial accident or illness shall remain, during periods of injury or illness, within the State of California unless the Board of Trustees authorizes travel outside the state.

3. the District shall pay the unit member's regular salary and the unit member shall remit to the District the amount received for jury duty or witness pay within five (5) days of receiving such pay or prior to the close of the last payroll period of the year, whichever occurs earlier.

20.11.2 A unit member called for jury duty during the school year who requests and is granted a postponement and then serves during non-instructional days shall be paid the substitute teacher daily rate for days served during non-instructional time.

20.11.2.1 The unit member shall submit proof of postponement in addition to the "Jury Duty Certification" form.

20.12 Military Leave

20.12.1 Unit members shall be provided military leave for active duty subject to the following conditions:

1. a unit member who is a member of the military or reserves is entitled to a temporary leave of absence to attend active duties, (times of war, rebellion, insurrection, riot, public calamity or catastrophe and other emergencies set forth in the Military and Veterans Code sections 142, 143, and 146) but not inactive duties,
2. a unit member who is ordered to active duty as a member of the reserves is entitled to leave with pay, of not more than 1/10 of the unit member's annual salary established for such position, (1/10 pay for contracted school year and for not more than thirty (30) calendar days) from his employer as specified in Military and Veterans Code section 395.05. If a unit member is ordered and the unit member needs a period substitute, the period substitute shall count as a 1/5 day. Unit members shall be ordered to active duty by the Governor, President of the United States, Chief Executive officer of any city or county, Justice of the Supreme Court, judge, sheriff or Officer of the United States Armed Forces,
3. a unit member shall use non-contract time to attend inactive duty drills. If a unit member uses contract time for inactive duty the unit member shall not be able to use any leave time or to be paid.

20.13 Parental Leave

- 20.13.1 Parental leave is defined as leave taken for the birth of a child of the unit member, or the placement of a child with the unit member in connection with the adoption or foster care of the child by the unit member. Parental leave is separate and distinct from pregnancy disability leave and leave taken because of a serious health condition.
- 20.13.2 Unit members must be employed by the District for 12 months prior to taking parental leave.
- 20.13.3 When the unit member has exhausted all available sick leave, and continues to be absent for the purposes of parental leave, the unit member shall receive differential pay for up to twelve (12) workweeks in an amount not to exceed the actual cost of a substitute hired to fill the position during the unit member's absence, or if no substitute was employed, the amount that would have been paid to a substitute had one been employed. The District shall make every reasonable effort to secure the services of a substitute employee.
- 20.13.4 The unit member taking parental leave is entitled to one 12-workweek differential pay period during any 12-month period of time. If the school year ends before the 12-workweek leave is exhausted, the unit member may take the balance of the leave in the subsequent school year. Non-paid school calendar days or breaks shall not be counted as part of the 12-workweek period.
- 20.13.5 Parental leave may be taken at any time in the 12-month period following the birth or placement of a child with the unit member. The minimum duration for parental leave shall be two weeks, with an exception of a leave of less than two weeks duration being granted on any two occasions. The District may grant additional requests of leave for a period of less than two weeks at the District's discretion. All parental leave must be concluded within 12 months of the birth or placement of the child with the unit member.
- 20.13.6 For birthing mothers, the 12-workweek parental leave shall commence on a designated date that is after the conclusion of any pregnancy disability leave. For non-birthing parents, the 12-workweek parental leave shall commence on the first day of such leave.
- 20.13.7 While on parental leave, the unit member shall continue to receive any applicable health benefits the unit member was receiving immediately prior to the commencement of the leave.
- 20.13.8 If a unit member has not exhausted all available sick leave and seeks parental leave, the unit member has the option of using sick leave for parental leave purposes. If the unit member exhausts the remainder of his or her sick leave, the unit member may then take paid parental leave; however, the 12-workweek differential pay period shall be reduced by any period of sick leave taken during the 12-workweek period of parental leave.

20.13.9 Nothing in this section shall be interpreted to prohibit a unit member who does not wish to exhaust his or her sick leave from requesting and receiving up to 12-workweeks of unpaid leave for child bonding purposes under the Family Care Leave provisions set forth in Article 20.14, so long as the unit member qualifies for such leave.

20.13.10 The foregoing provisions are intended to comply with Education Code section 44977.5 (AB 2393).

20.13.11 If a unit member has exhausted the 12-workweek period of parental leave as set forth above, and seeks to continue parental leave, the unit member may request an unpaid leave of absence as provided in Article 20.7.

20.14 Family Care Leave

20.14.1 Any full-time unit member who has served the District for at least one (1) continuous school year shall be eligible to take unpaid family care leave under the provisions of Government Code 12945.2 and Public Law 103-3.

20.14.2 Family Care Leave may be used for the following reasons:

1. the birth or placement for adoption or foster care of a child (leave may be taken only within twelve (12) months of birth or placement),
2. the serious health condition of a spouse, child, or parent of the employee,
3. the unit member's own serious health condition.

20.14.3 For the purposes of this regulation:

"Family" is defined as a spouse, child, or parent,

"Child" is defined as a biological child, adopted child, or foster child, a step child, a legal ward, or a child of a person standing in loco parentis as long as the child is under eighteen (18) years of age, (or eighteen (18) or older and incapable of self-care due to physical or mental disability), or an adult dependent child,

"Parent" is defined as a biological parent or an individual who stands in loco parentis. Loco parentis is an individual who is responsible for the day to day activity of an individual or one who had the responsibility when the employee was a child. For this purpose, a biological or legal relationship is not necessary,

"Spouse" is defined as a legally recognized husband or wife; common law marriage is acceptable in states that recognize it,

"Serious health condition" is defined as "an illness, injury, impairment, or physical or mental condition" involving either inpatient care or continuing treatment by a health care provider.

- 20.14.4 Family Care Leave may be taken in one or more periods but shall not exceed a total of twelve (12) weeks within a twelve (12) month period.
- 20.14.4.1 Leave for serious health conditions (either of a family member or the unit member) may be taken intermittently or on a reduced schedule if medically necessary and with mutual agreement between the employee and the employer.
 - 20.14.4.2 If the unit member wishes to take intermittent leave, and that leave would cause the unit member's absence from his/her assignment more than twenty (20) percent of the time, the unit member may be required either to take continuous leave throughout the treatment period or to be placed in an equivalent position that would not be disruptive to the assignment.
 - 20.14.4.3 A unit member may be required to extend leave through the end of a semester if he/she would otherwise have returned within the last three weeks of the semester's end, depending on the date on which the leave commenced and the duration of the leave.
 - 20.14.4.4 If spouses both employed by the district wish to take leave, each spouse is entitled to twelve (12) weeks leave.
- 20.14.5 The unit member shall continue to receive pension and retirement plans, and supplemental unemployment benefit plans to the same extent under the same conditions as apply to an unpaid leave taken for any other reason.
- 20.14.6 The unit member shall receive paid health benefits during the leave period. The District may recover health premiums paid for a unit member who fails to return from leave, except if the reason is the continuation, recurrence, or onset of serious health condition, or circumstances beyond the unit member's control, subject to certification.
- 20.14.7 The unit member shall retain his/her employee status with the District during the leave period. The leave shall not constitute a break in service for the purposes of longevity, seniority, or any employee benefit plan.
- 20.14.8 The unit member may elect to use paid personal illness and injury leave or personal necessity leave as defined in Articles 20.3 and 20.4 of this agreement.
- 20.14.9 If the unit member's need for family care leave is foreseeable, he/she shall give the District thirty (30) days advance notice. For unforeseeable circumstances, reasonable and practicable notice shall be given.
- 20.14.9.1 If leave is needed for a planned medical treatment or supervision, the unit member shall make a reasonable effort to schedule the treatment

or supervision to avoid disruption of district operations. This scheduling shall be subject to the health care provider's approval.

20.14.10 A unit member's request for leave due to a serious health condition shall be supported by a certification from the health care provider of the person requiring care. This certification shall include:

1. the date on which the serious health condition began,
2. the probable duration of the condition,
3. appropriate medical facts regarding the condition,
4. a statement that the employee is needed to care for a spouse, parent, or child (along with an estimate of time required), or that the employee is unable to perform his/her functions; and
5. in the case of intermittent leave, the dates and duration of treatments to be given.

20.14.11 The District may require that a second opinion be obtained at the District's expense.

20.14.12 If additional leave is needed when the time estimated by the health care provider expires, the unit member shall provide recertification as specified above.

20.14.13 At the end of the twelve (12) week period (or intermittent equivalent) all benefits of the Family Leave Act shall cease.

20.15 Catastrophic Leave Bank

20.15.1 Creation and Definition

20.15.1.1 The Association and the District agree to create the Upland Teachers Catastrophic Leave Bank effective immediately upon ratification of this agreement (1995). The Catastrophic Leave Bank shall be funded in accordance with the terms of 20.14.2 below.

20.15.1.2 "Catastrophic illness" or "injury" is defined as an illness or injury that is expected to incapacitate the employee for an extended period of time, or that incapacitates a member of the employee's family whose incapacity requires the employee to take time off from work for an extended period of time to care for that family member, and taking extended time off work creates a financial hardship for the employee because he or she has exhausted all of his or her personal illness and injury leave and other paid time off. (Ed Code 44043.5 (a) (1)). An extended period of time shall be defined as no fewer than ten (10) consecutive work days.

- 20.15.1.3 Days in the Catastrophic Leave Bank shall accumulate from year to year.
- 20.15.1.4 Days shall be contributed to the Bank and withdrawn from the Bank without regard to the daily rate of pay of the Catastrophic Leave Bank participant.
- 20.15.1.5 The Executive Committee shall consist of the District Assistant Superintendent of Personnel and the Association President.
- 20.15.1.6 The Catastrophic Leave Review Committee shall be comprised of the Executive Committee and three (3) members appointed by the Association who shall administer the Catastrophic Leave Bank.

20.15.2 Eligibility and Contributions

- 20.15.2.1 All permanent unit members on active duty with the District are eligible to contribute to the Catastrophic Leave Bank.
- 20.15.2.2 Participation is voluntary, but requires contribution to the Bank. Only contributors shall be permitted to withdraw from the Bank.
- 20.15.2.3 The contribution, on the appropriate form, of one (1) personal illness and injury leave day per year shall be authorized by the unit member and continued from year to year until cancelled by the unit member.
- 20.15.2.4 Cancellation, on the appropriate form, may be effected at any time. The unit member shall be eligible to draw from the Bank until the effective date of cancellation. Personal illness and injury leave previously authorized for contribution to the bank shall not be returned if the unit member effects cancellation.
- 20.15.2.5 Contributions shall be made between July 1 and October 1 of each school year. Unit members returning from extended leave that included the enrollment period shall be permitted to contribute within thirty (30) calendar days of beginning work. The District shall supply enrollment forms for the Catastrophic Leave Bank to all permanent unit members and those permanent unit members returning from leave.
- 20.15.2.6 The annual rate of contribution by each participating unit member for each school year shall be one (1) day of personal illness and injury leave which shall be deemed to equate to the legal minimum required by Education Code 44043.5.
 - 20.15.2.6.1 An additional day of contribution shall be requested of participants if the Executive Committee determines that

the Bank is close to depletion. Unit members may volunteer to put in an additional day that year outside the initial contribution period.

20.15.2.6.2 If the Executive Committee determines that the number of days in that Bank at the beginning of the school year are more than adequate and exceed the anticipated needs of the members, no contribution shall be required of continuing unit members who contributed the prior year. Those unit members joining the Catastrophic Leave Bank for the first time and those returning from leave, shall be required to contribute one day to the Bank.

20.15.2.7 Unit members who are retiring or leaving the employ of the District may contribute their unused personal illness and injury leave days to the Catastrophic Leave Bank.

20.15.3 Withdrawal from the Bank

20.15.3.1 Catastrophic Leave Bank participants, whose personal illness and injury leave is exhausted, may withdraw from the bank for catastrophic illness or injury. Catastrophic illness or injury shall be defined as any illness or injury that incapacitates the unit member for over ten (10) consecutive duty days (as defined in 17.1.4 of the Contract) or incapacitates an immediate family member (as defined in 20.5.2 of the Contract) for over ten (10) consecutive duty days which requires the unit member to take time off work to care for that family member. If a reoccurrence or a second illness or injury incapacitates a unit member or a member of a unit member's family within twelve (12) months, it shall be deemed catastrophic after five (5) consecutive duty days.

20.15.3.2 Participants must use all personal illness and injury leave (but, not differential leave) as defined in Article 20.3, available to them before eligible for a withdrawal from the bank.

20.15.3.3 Participants who have exhausted personal illness and injury leave, but still have differential leave available are eligible for a withdrawal from the Catastrophic Leave Bank. The district shall pay the participant full pay and the Bank shall be charged one-half (1/2) day.

20.15.3.4 The first ten (10) duty days of illness or disability must be covered by the participant's own personal illness and injury leave, differential leave, or leave without pay the first time said participant qualifies for a withdrawal from the bank. For subsequent withdrawals within twelve (12) consecutive months, the first five (5) duty days of illness

must be covered by the participant's own personal illness and injury leave, differential leave, or leave without pay.

- 20.15.3.5 Withdrawals from the Catastrophic Leave Bank shall be granted in units of no more than thirty (30) duty days. Participants may submit requests for extensions of withdrawals as their prior grants expire. A participant's withdrawal from the Bank may not exceed the statutory maximum period of twelve (12) consecutive months.
- 20.15.3.6 The catastrophic leave recipient, because he/she remains in paid District status, shall continue to receive District fringe benefit contributions for the duration of said leave.
- 20.15.3.7 Participants applying to withdraw from the Catastrophic Leave Bank shall be required to submit a doctor's statement indicating the nature of illness or injury and the probable length of absence from work. This information shall be kept confidential.
- 20.15.3.8 If a participant is incapacitated, the participant's agent or member of the participant's family may submit applications to the Executive Committee.
- 20.15.3.9 If a participant has withdrawn thirty (30) Catastrophic Leave Bank days and requests an extension, the Executive Committee may require a medical review by a physician of the Executive Committee's choice at the participant's expense. The Executive Committee shall choose only a physician who qualified under the District offered insurance policy. Refusal to submit to the medical review shall terminate the participant's continued withdrawal from the Bank. The Executive Committee may deny an extension of withdrawal from the Catastrophic Leave Bank based upon the medical report or the number of credit days in the Catastrophic Leave Bank. The participant may appeal any termination under the procedures outlined in Section 20.14.3.14 below.
- 20.15.3.10 Leave from the Bank may not be used for illness or disability which qualify the participant for Worker's Compensation benefits unless the participant has exhausted all Worker's Compensation leave, his/her own personal illness and injury leave, and differential pay, and provided further that the member signs over any Worker's Compensation checks for temporary benefits to the District. If there are any Worker's Compensation checks signed over to the District, or if the Worker's Compensation payment is equivalent to a regular day of pay at the negotiated rate for that participant, the Bank shall not be charged days.
- 20.15.3.11 When the Executive Committee may reasonably presume that the applicant for a draw may be eligible for a Disability Award or a

Retirement under STRS or, if applicable, Social Security, the Executive Committee shall request that the draw applicant apply for disability or retirement. Failure of the draw applicant to submit a complete application, including medical information provided by the applicant's physician, within twenty (20) calendar days shall disqualify draw applicant for further Catastrophic Leave Bank payments. Any requests for additional medical information from STRS or Social Security shall be submitted within ten (10) days or the participant's entitlement to Catastrophic Leave Bank payments shall cease. If denied benefits by STRS or Social Security, the applicant must appeal by submitting the reason for denial, or entitlement to the Catastrophic Leave Bank shall cease.

20.15.3.12 If the Catastrophic Leave Bank does not have sufficient days to fund a withdrawal request, neither the Review Committee nor the District is under any obligation to pay the participant any funds whatsoever. If the Review Committee denies a request for withdrawal because of insufficient days to fund the request, they shall notify the participant in writing of the reason for the denial.

20.15.3.13 Withdrawals and difference pay become effective immediately upon the exhaustion of personal illness and injury leave or the waiting periods provided for in Section 20.14.3.4.

20.15.3.14 Catastrophic Leave Bank participants who are denied a withdrawal or whose withdrawal is not renewed or is terminated may, within thirty (30) days of denial, appeal the denial, non-renewal, or termination to the Review Committee.

20.15.3.15 The Association shall provide representation to an appealing participant, unless the appellant refuses representation. If the participant's incapacitation does not allow participation in this appeal process, the participant's agent or member of the family may process the appeal.

20.15.4 Administration of the Bank

20.15.4.1 The District and Upland Teachers Association shall share the responsibility of maintaining the records, receiving withdrawal requests, verifying the validity of requests and the status of the requesters' personal illness and injury leave, and communicating that information to the Catastrophic Leave Bank Review Board. The Catastrophic Leave Bank Executive Committee shall have the responsibility for approving or denying the requests in total or any portion thereof.

20.15.4.2 The Executive Committee authority shall be limited to administration of the Bank. The Executive Committee shall approve all properly

submitted requests complying with the terms of this Article. Withdrawals may not be denied on the basis of the type of illness or disability. In reviewing requests, the Executive Committee shall consider the number of days requested, the number of individuals requesting withdrawals, and the status of the credits in the Bank.

- 20.15.4.3 Applications shall be reviewed and decisions of the Executive Committee shall be reported in writing to the applicant within ten (10) duty days of receipt of the application.
- 20.15.4.4 If denied, the applicant has ten (10) duty days to request a review of their application by the Catastrophic Leave Bank Review Committee.
- 20.15.4.5 The Executive Committee and the Review Committee shall keep all records confidential and shall not disclose the nature of the illness except as is necessary to process the request for withdrawal and defend against any appeals of denials.
- 20.15.4.6 By October 5, of each school year, the District shall notify the Executive Committee and Review Committee of the following:
 - 1. the total number of accumulated days in the Bank as of June 30 of the previous school year,
 - 2. the number of days contributed by unit members for the current year,

- 20.16.1.1 The applications for and granting of such leaves of absence shall be in writing. In addition, a unit member on such leave shall notify the District Personnel Office by March 1 of the school year as to intent to return to employment in the District. If the failure to so notify creates a hardship on the District or impairs the job rights of other unit members, then such failure may be considered an abandonment of position.
- 20.16.1.2 The unit member on such leave may participate in the District health and welfare programs by paying the full premiums for such benefits.
- 20.16.1.3 The unit member on such leave shall be entitled to return to the same position, unless the position is no longer vacant, then to a comparable position to that held at the time the leave commenced.

Side Letter of Agreement
Between The
Upland Unified School District
And
Upland Teachers Association, CTA/NEA

The Upland Unified School District and Upland Teachers Association, CTA/NEA, enter into this Side Letter of Agreement for the purpose of clarifying the implementation of the September 21, 2017 Tentative Agreement ("TA").

Appendix "C": Fringe Benefits

Beginning in the 2017-18 plan year, and continuing each year thereafter unless otherwise agreed to by the parties, certificated unit member contributions shall be used to pay for the current plan year's costs, and the District shall set aside an equal amount into the Health Benefits Savings Fund, which may be used as otherwise set forth in the TA.

The calculation of the yearly amount to be set aside in the Health Benefits Fund shall be as follows,

- The actual number of subscriber FTEs, as determined by the first billing cycle after the Open Enrollment period, multiplied by \$750 (prorated for part-time employees).

For example, if certificated members will contribute \$400,000 for the 2017-18 plan year, the District will use that amount to pay for the 2017-18 plan year's cost and set aside \$400,000 into the Health Benefits Savings Fund.

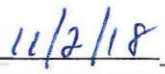

The parties acknowledge and agree that this arrangement is designed to ensure that unit member contributions are tax exempt, as permitted under state and federal law. If, during the term of the TA, either party determines that this arrangement is not consistent with external legal requirements, they agree to promptly meet and negotiate for the purpose of ensuring compliance with any such legal requirements.

The parties agree that this Side Letter clarifies the implementation of the TA, but that it does not alter the terms of the TA.
